## 19203

Permanent Residency (Referendum) Bill

---

Debate:

**The SPEAKER:** is the house ready to proceed to the next part of today's agenda? Introducing the (hopefully) final reading of the Permanent Residency (Referendum) Bill. does the proposer of the bill wish to speak?

**Minebuilder1223:** not here. I'll speak on his behalf. Thank you mr speaker. This bill has been reviewed and considered by this house for an extended amount of time now. A number of suggestions have been made during this time. But have not materialized into amendments to be fully considered and voted on by the house. Therefore a large set of amendments should be

considered by the house to choose which suggestions should become binding. The issue of the permanent residency rank has been relevant in WH for over a year and a half now with little action having been taken to resolve it. I believe that this bill could be passed by the house next session if this house is able to come to an agreement.

**SilverWolv:** Thank you Mr Speaker at the previous parliament, the govt stated that a committee would be formed to determine the questions, and options that would appear on the ballot. where is this committee, who will be in the committee, is there even going to be a committee?

**The SPEAKER:** anyone wishes to respond?

**Grass\_Jelly:** can the house have some decorum. some hor hopeful is running buckwild

**The SPEAKER:** Please remain seated. Any calls?

**Grass\_Jelly:** Thank you Mr Speaker As my honourable friend, who has tabled the bill today, is currently unavailable, I move that the bill be adjourned until such a time as they are.

**Question put to the House and agreed on.**

**The SPEAKER:** the ayes have it. this bill shall be adjourned to the next session in 2 weeks and hopefully be resolved by then

## Question without Notice

---

**The SPEAKER:** moving on to questions. Anything to table.

**Grass\_Jelly:** my question is to MayorSeningrad

**MayorSeningrad:** yes!

**Grass\_Jelly:** You have recently outlined a plan to get into a parliament as a one man team

**MayorSeningrad:** true

**Grass\_Jelly:** Yet, currently as we speak, it is against the statutes to do so. let me finish. How do you hope to achieve this goal of yours

**MayorSeningrad:** ye, is there anyway to explain this via discord or something?

**The SPEAKER:** does MayorSeningrad wish to respond?

**MayorSeningrad:** yes! should i come to you or what?

**The SPEAKER:** please do so. nah just stand and speak the rear bench does not need to go up front.

**MayorSeningrad:** so I would like to say that this is actually something I have done, because it's a political statement. In my opinion, the system of political parties is not a good system, and I think every individual has the right to join the parliament WITHOUT two other people in their 'party'. that's all

**The SPEAKER:** weird flex but ok

**minebuilder1223:** do i have time to propose a motion?

**The SPEAKER:** do you know about independents? Anyway.

**CM\_Raiders:** Thank you Mr Speaker

**The SPEAKER:** mibu motions are to follow after this

**CM\_Raiders:** I would like to question the honorable gentlemen in if he is familiar with the parliament sort of mannerisms

**MayorSeningrad:** is this a question for me?

**The SPEAKER:** order. please wait your turn

**CM\_Raiders:** and if he thinks he is able to operate in a possible future parliament accordingly

**MayorSeningrad:** can I react?

**y0urs\_Tr1y:** so let me ask. are you not here participating now? yet you claim that it would not be possible to join without a party. your mere presence here clearly contradicts this.

**MayorSeningrad:** CAN I PLEASE REACT

**The SPEAKER:** mayor. you may speak. b0b after this. y0urs third in line

**MayorSeningrad:** I have never stated that it wouldn't be possible, but somebody asks a question about it, this does mean that its not usual for someone to do this. I am against thee system of parties.

**Grass\_Jelly:** firstly, here's some reading for when you're tired, mayor.  
<https://wolvhaven.net/gov/parliament/> . anyways, my question is directed at minebuilder and the president. Thanks for your work on compiling all the bills from last term. Do you have a rough estimate on when this work will be done? thanks

**The SPEAKER:** does y0 wish to speak now or wait until mayor is back?

**y0urs\_Tr1y:** i shall wait for the fake mayor.

**minebuilder1223:** Thank you mr speaker. In response to my honourable friend. A deadline has already been set for the completion of this work that is the end of this sunday. I would inform the house that this is tedious work since the sloppy work of some previous bills and hansards makes it difficult to compile all the acts of parliament nonetheless, it shall be completed by the deadline already set, i can assure him and silverwolv of that

**The SPEAKER:** considering the challenge, is there any proposal to extend the deadline?

**y0urs\_Tr1y:** i would simply ask if anyone knew where the dear mayor ran to hide. that is all.

**The SPEAKER:** hold on. is he online on discord? guess not. Qix is next

**SilverWolv:** Thank you Mr Speaker the question is directed to the deputy pm

**y0urs\_Tr1y:** coward. ran away when the qns got hard.

**SilverWolv:** it wasn't mentioned in the president speech any commitment to transition to a discord parliament. does the govt also fully commit to pushing for the full transition into a discord parliament as laid out in its campaign

**CM\_Raiders:** oh my apologies that jump was accidental

**Minebuilder1223:** Thank you Mr Speaker I agree with the honourable member that it is a commitment of this government that the discord transition by fully made. We are planning to move a motion today to solidify the opinion of this house regarding the change. And hope that the change is finalised so that next session will be the ultimate physical parliament session.

## Motion

---

**The SPEAKER:** Anyone else? No? Then we continue to motions.

**Minebuilder1223:** Mr Speaker, I beg to move that this house is of the opinion that a bill to repeal section C of the wolvhaven statutes and therefore allow for parliament to transition to discord, should be read and voted on next session at the latest.

**The SPEAKER:** Noted. Anyone seconding this? Any comments?

**Grass\_Jelly:** i second this.

**The SPEAKER:** Voting? excuse me for a moment. Alright, sorry for the interruption. alright , this motion by mibu will be tabled next session

**minebuilder1223:** I JUST MOVED THE BLOODY MOTION

**The SPEAKER:** does the house agree to adjourn this session

**Question put to the House ana agreed on.**

**Parliament adjourned at 15 12.**
