TO

Create safety and more frequency on the manual lines of WolvHaven

Be it enacted by the president of the city-state of WolvHaven, by and with the advice and consent of the Senate and Representatives, in this parliament assembled, and by authority of the same, as follows -

**1. Purpose & Process**

- a. Train drivers from all over WolvHaven would use a discord voice channel (See4) to manage frequency of train driving.
- b. As trains are departing and arriving at stations, they must announce in the discord chat what direction they are going in and what station they have just arrived at or currently departing.
  - i. Example: Going to Siloner, Arriving at Waterfront (said in voice channel "Drivers 7")
  - ii. Going to La Resistance, Departing from Renaissance (said in voice channel "Drivers 1")
  - iii. Arrived at City Hall - Switching Directions to Esplande (said in voice channel "Drivers 5")

**2. Starting a New Train**

- a. If train drivers want to start a new line, they must go into the respective voice channel at least *3 minutes* in advance. Then they can say "I would like to start a new Line 5 train," In the respective voice channel, Drivers 5
- b. Then any drivers either:
  - i. Ahead of them by less than 2 full stations
  - ii. Waiting in line
- c. must announce that they are in that state.

- d. There must be a gap of at *least* 2 stations, except for the Tram Lines, in which it must be at least 4 stations. A train cannot depart from:
    - i. Line 4, unless the most recent train has reached past Central Park
    - ii. Line 5, unless the most recent train has reached past Westferry
    - iii. etc.
- 3. Boarding Trains**
- a. If a user would like to board a manual train, they could also listen for an update on when the next train is coming
- 4. Voice Channel**
- a. There shall be a new voice channel titled “Drivers,” and then a number (to represent the line they are driving).
  - b. Those who do not have a license shall be muted
- 5. Short title**
- a. This act may be cited as the Manual Driver Act
- 6. Implementation**
- a. This act will go into effect immediately after it receives approval from the president.
