Motion

SilverWolv To move that this house discusses that leave be given to introduce and debate a green paper on reforms to make parliament more accessible to all wolvhavers.

Delfino88: Is this the motion to make Wolvhaven accessible to everyone by putting bills into a special WH channel?

Minebuilder1223: Thank you mr speaker. This motion is for leave to be given for this house to discuss the green paper which details reforms to be made to the parliamentary system. <https://wolvhaven.net/wp-content/uploads/2018/09/Green-Paper-on-Parliament-Reform.pdf> Mr speaker, I beg to move that this motion be postponed to the next parliamentary session, in order to provide more chance for members to scrutinise the green paper and allow for it to be discussed at a time where there are more MPs present (these circumstances are ironic for the motion we are discussing i know)

The SPEAKER: the question is does the house agree to postpone this motion to the next session

Question put to the House and agreed on (Postponing this motion to the next session)

Parliament adjourned at 14 37.
